WAS A GREAT TRIP

FINE ROADS AND A WELCOME AT EACH TOWN VISITED.

ADDRESSES WERE MADE

The Visitors Were Much Impressed With the Country, Fine Farms and Homes of Nodaway County.

Twenty-two cars left this morning with the state board of agriculture to visit the surrounding towns preparatory to the meeting this afternoon. The day was a most ideal one for the occasion. The day was cool enough to make the trip enjoyable. Governor Major could not make railway connections and did not arrive until 12 o'clock, and the trip had to be made without him. It had been planned to have the governor make a short talk at each of the towns. Addresses were made, however, by several prominent speakers who accompanied the tourists. The cars left at 8:45 a. m., a little later than scheduled, but considerable time was required in grouping and placing the cars in the parade. The band accompanied the party to furnish music at each of the towns. It was composed of sixteen members. There were several cars which entered the parade too late to be listed below. The trip was made over the western part of the county. The towns visited were Graham, Maitland, Skidmore, Quitman and Burlington Junction. The party returned about 1 o'clock, in time for the afternoon meeting, held at the court house at 2 p. m. At Graham, President Lewis and Secretary Jewell Mayes delivered short talks. W. D. McKee, lecturer for the state board, also gave an address and expressed the opinion that the farmers are realizing the advantages of co-operation to such an extent that all farm business of the future will be conducted by a definite organization for each place of farm work.

President Lewis and Secretary Mayes also spoke at Maitland. There was a big crowd at this place and the Maitland band furnished music while the cars were coming into town. J. Kelly Wright also spoke at this town. The school children were in attendance at this meeting. Skidmore was the next stop, and the delegation was well received there. Dean Mumford of the state agricultural college of Columbia gave a short speech. At Quitman E. C. Bennett, state dairy commissioner, gave a talk. Burlington Junction was next visited, and after talks by President Lewis and Secretary Mayes, Dean Mumford gave an address. From the Junction the party came to Maryville, arriving on schedule time. At each of the towns they were sorry Governor Major was unable to be in attendance.

The party was joined by a number of cars at each of the towns. The roads were in excellent shape on the entire trip and many were the remarks made by the visitors on the good roads and the fine country we had in Nodaway.

The following cars and persons who accompanied them made up the party: No. 1, McMurray car—Geo. McMurray, C. D. Bellows, Jewell Mayes of Columbia and P. P. Lewis, president of state board.

TO BE HELD MAY 28.

Conservatory Commencement at the First Methodist Church.

The eleventh annual commencement of the Maryville Conservatory of Music will be held on Thursday night, May 28, in the First Methodist church.

This school, under the direction of Prof. P. O. Landon, has grown to be one of the largest in the state, and its influence extends to many other states where its graduates are teaching. During the eleven years that the Conservatory has been in Maryville, one hundred and eleven students have been graduated either from the regular course or from the post-graduate course.

The school is one of which Maryville may well be proud, and the musical reputation which Maryville possesses is due in a large measure to the influence which the Maryville Conservatory has had on this community.

The following students will be graduated next Thursday evening. Vir dah Daniels, Barnard; Martha Koch, Maryville; Lucy Gee, Savannah; Lois Harrison, Albany; Hazel Everhart, Maryville; Margaret Bolin, Maryville; Lida Ambrose, Maryville; S. F. Spainhower, Albany.

CALDWELL SALE MAY 26.

Fifty-Two Head of Aberdeen Angus Cattle Listed for the Sale.

C. D. and E. F. Caldwell of Burlington Junction have listed fifty-two select Aberdeen Angus cattle for their public sale, which will be held at the farm adjoining Burlington Junction, Tuesday, May 26. The list contains forty head of cows and twelve head of bulls. Col. Fred Reppert will auctioneer the sale.

Mr. and Mrs. Sam Townsend and Mrs. C. D. Hooker will return Wednesday night from a few days visit in St. Joseph at the home of Mr. Townsend's daughter, Mrs. John Koch.

ARRIVED IN THE CITY THIS NOON.

SPOKE AT COURT HOUSE

Meeting of State Board at Bellows' Country Home—Banquet at Elks Club This Evening.

Governor Elliott W. Major arrived in Maryville this noon over the Burlington for the meeting of the state board of agriculture. He was accompanied by R. W. Napier of Hamilton, who is state food and drug inspector. Governor Major was entertained at luncheon by George B. Baker, who is an appointee of his on the state hospital board No. 2 at St. Joseph, and the other guests were Senator Anderson Craig of this city and Mr. Napier. Governor Major expressed regret that he was unable to be here for the auto tour, but owing to a misunderstanding as to trains he was unable to reach the city until today. The governor will be in the city over night and will leave on the Burlington train Thursday morning.

The meeting at the court house this afternoon was presided over by W. A. Blagg. P. P. Lewis, president of the state board of agriculture, spoke, and was followed by Governor Major, who talked along agricultural lines. The court room was crowded and many had to stand.

After the speaking Governor Major was taken in a car, accompanied by a number of others, to Burlington Junction, where he delivered a short talk.

The meeting of the state board will be held at "Parkdale," the country home of C. D. Bellows, at 5 o'clock this afternoon.

After the state board meeting the visitors will be taken to the Elks club, where they will be the guests of Mr. Bellows at dinner. Governor Major and others will respond to toasts.

The state board of agriculture, which is meeting in Maryville today, is doing a great work for Missouri. The board has the supervision of all the legalized departments and institutions of the state which are for the advancement of agriculture. One of the duties of the board through its secretary, Jewell Mayes, is to gather crop and stock statistics, meteorological data and information as to the best and most profitable means of farming, stock raising, fruit growing, etc., and to publish the same in bulletins as frequently as may be deemed expedient. They are to hold farmers' institutes in different parts of the state for the purpose of giving instruction in agriculture.

The members of the board are: E. L. Newton, Lewistown; John H. Brayton, Paris; H. C. Duncan, Os-

born; C. D. Bellows, Maryville; T. J. Hedrick, Buckner; Mack V. Thralls, Ulrich; N. H. Gentry, Sedalia; W. A. Dallmeyer, Jefferson City; John J. Wakefield, Mexico; P. P. Lewis, Crescent; Christ Hilke, St. Louis; W. R. Wilkinson, St. Louis; E. E. Swink, Farmington; C. M. Barnes, Marston; John Parker, Carthage; A. T. Nelson, Lebanon.

The ex-officio members are Governor Elliott W. Major, W. P. Evans, superintendent of schools, and F. B. Mumford, dean college of agriculture.

The officers of the board are: P. P. Lewis, Crescent, president. W. R. Wilkinson, St. Louis, vice president.

Jewell Mayes, Columbia, secretary. W. L. Nelson, Columbia, assistant secretary.

J. Kelly Wright, Columbia, farmers' institute lecturer.

Miss Bab Bell, Columbia, home economics lecturer.

The visit of Governor Major today is his first one since he has been the chief executive of the state. He visited in Maryville when he was a candidate for attorney general, and also when he was a candidate for governor. He is very much interested along agricultural lines and owns two large farms in Pike county.

HER CONDITION FAVORABLE.

Miss Messenger Had Bad Night Tuesday, But Was Some Improved Wednesday.

The condition of Miss Marcia Messenger, who underwent a serious operation for tumor Tuesday morning at St. Francis hospital, was favorable Wednesday. She had a bad night Tuesday.

HERE TO HEAR THE GOVERNOR.

Dr. Crandell and Joseph I. McDonald of St. Joseph Board of Police Commissioners.

An auto party from St. Joseph that arrived in Maryville this morning had Dr. U. G. Crandell and Joseph I. McDonald, members of the board of police commissioners of that city, and Otto Burris. They came to hear Governor Major speak this afternoon. Both Dr. Crandell and Mr. McDonald are appointees of Governor Major.

TO BUILD BALL PARK.

Money Being Raised to Build an Ideal Ball Park—Citizens to Control the Grounds.

Several members of the ball club have been making solicitations from the merchants this week in order to rent a ball park and build at new grand stand large enough to accommodate the Maryville ball fans. They expect to raise not less than \$250, and of this amount \$50 will be used to pay the rent of the grounds for one year in advance, and at least \$200 to build an ideal grand stand. This grand stand will be the property of the citizens of Maryville. A committee of three merchants of the city will be appointed by the clubs to manage the grounds. All other teams of the city will have to apply to this committee in order to secure the use of the grounds. They will be allowed to use them as long as the dates do not conflict with the schedule of the city league. All of the Sunday school, high school, and other city teams will be allowed the use of the park at any time free of charge by simply applying to the committee on grounds and arranging a date that will not conflict with other schedules. The grounds which will be rented are the old Mink league grounds, where organized base ball was formerly played in Maryville.

Member of Exposition Commission.

W. D. Smith of Princeton, Mo., a member of the Missouri commission of the Panama-Pacific exposition, was in Maryville today attending the board meeting and also made the auto trip this morning.

Ernest Hagin of St. Joseph is visiting at the home of his grandmother, Mrs. Lafa Hagin.

HIS 90TH BIRTHDAY

JAMES H. SAUNDERS CELEBRATED ANNIVERSARY.

RESIDENT SINCE 1845

Closely Connected With the Early Progress of Maryville—Is Enjoying Good Health.

James H. Saunders is 90 years old today, and, with his wife, is celebrating the occasion by spending the day at the home of his daughter, Mrs. George L. Wilfley. One of the members of the family party today is a great - great - granddaughter, Naomi Elizabeth, the infant daughter of Mr. and Mrs. Ray S. Wilfley of Cherokee, Okla. "Uncle Jimmy," as everyone knows him, has been a resident of Nodaway county the greater portion of the time since 1845.

He was a native of Madison county, Kentucky, and was born May 6, 1824.

He was there partially educated and resided until 1843, when he emigrated to Missouri with his parents, his father, John Saunders, being one of the pioneers of Buchanan county. For two years he lived near St. Joseph. In 1845 he moved to Nodaway county and engaged in mercantile pursuits in Maryville, being among the first interested in this branch. Previous to the war he went to St. Joseph and for many years was well known as proprietor of the Saunders house. John Saunders died in 1869. For many years "Uncle Jimmy" Saunders was one of the leading merchants of Maryville, having engaged in the mercantile business in 1851. His store was located on the Nodaway Valley bank corner. A son, Ernest R., now deceased, was a junior member of the firm of Saunders & Son for a number of years.

Mrs. Wilfley, wife of George L. Wilfley, president of the Farmers Trust company, is a daughter, and a son, Dr. Lawrence A. Saunders, resides at San Jose, Cal.

He was closely associated with the early progress of Maryville and was ever ready to endorse all commendable enterprises beneficial to both town and county. Possessing as he does a genial and kindly disposition, he is one of the most companionable of gentlemen.

Mr. Saunders is enjoying good health for a man of his years and makes daily trips downtown. His many Maryville friends extend congratulations and wish that he may enjoy many more birthday anniversaries.

The children and grandchildren of James H. Saunders met at the home of a daughter, Mrs. George L. Wilfley, Wednesday to celebrate his birthday anniversary. Those present were Mr. and Mrs. Saunders, Mr. and Mrs. Wilfley, Mr. and Mrs. Ray S. Wilfley and infant daughter, Naomi Elizabeth, of Cherokee, Okla., and Miss Geneva Wilfley.

Elect Teachers at Skidmore.

Teachers for the ensuing year were elected Tuesday at a meeting of the school board of Skidmore. The election resulted as follows: Principal, P. W. Cooper of Sheridan; assistant principal, Miss Beatrice Sewell of Maryville; high school teacher, Miss Ethel Metzger of Maysville; 6th, 7th and 8th grades, Miss Hazel Kaywood of Maitland; 3rd, 4th and 5th grades, Miss Maude Linville of Skidmore; 1st and 2nd grades, Miss Elsie Bunn of Jameson. Miss Sewell is a member of this year's graduating class of the Normal school and Miss Metzger is taking special work at the Normal school this term.

Mrs. Lewis Allen of St. Joseph, who was a guest at the Sheldon-Dyson wedding Monday night, returned to her home in St. Joseph Tuesday afternoon.

Visited Monastery.

The Spitzerinkum club formed a
party to the large monastery at Con-
ception Sunday. A delicious luncheon
was served at the noon hour, after
which the party was taken through
some of the buildings and several pic-
tures were taken. Everyone had an
enjoyable time. Mr. and Mrs. Edward
Fetzer of Marengo, Ia., and Mr. and
Walter Coulter were guests of the
club.

Westminster Guild Meets.

A well attended meeting of the West-
minster guild of the Presbyterian
church was held Tuesday night at the
home of Miss Ora Eckles. Following
a brief business session Mrs. S. D.
Harkness led the devotional exercises.
The members of the guild are making
a study of "Mexico Today," and the
evening's program was under the lead-
ership of Miss Helen Leffler. Re-
freshments were served at the close of
the program.

For Mission Circle.

Mrs. Beal Roseberry and Mrs. J. D.
Richey entertained thirty members of
the Mission Circle of the Christian
church Tuesday afternoon with a ken-
sington at the home of Mrs. Lee Cros-
san, on North Walnut street. The en-
tertainment was given by Mrs. Rose-
berry and Mrs. Richey, president and
vice president respectively of the
circle, in appreciation of the able as-
sistance of the members at their twentieth
rummage sale held last week, which
proved to be one of the best ever given
by the circle.

Gave Euchre Luncheon.

Misses Della and Kittie Grems en-
tertained with a euchre luncheon
Tuesday night, the guests of honor be-
ing Miss Rena Sturm, a bride-elect,
and Mrs. John I. Hoffman of Bucyrus,
O., who is visiting her mother, Mrs.
Smith Casteel. The guests, including
the members of the Young Ladies'
Bridge club and a few friends were
entertained at six-hand euchre. Fa-
vors were awarded to Miss Sturm, Miss
Clara Sturm and Mrs. Hoffman. Lav-
ender and white were the favored
colors and the rooms were filled with
the fragrance of lilacs and violets. The
hostesses were assisted in serving by
Miss Nell Campbell and Miss Clara
Sturm. Out-of-town guests were Mrs.
Hoffman of Bucyrus, O.; Mrs. J. J.
Walsh of St. Joseph, guests of her par-
ents, Mr. and Mrs. N. Sturm, and Mrs.

Overland \$950.00

\$1,075—With electric starter and genera-
tor. Prices f. o. b. Toledo, Ohio.

Cost 30% Less

THE 1914 Overland is a large
magnificent, five-passen-
ger family touring car—having
a powerful motor, a long wheel
base and large tires. It is built
to stand without stress or strain
the hardest kind of work. Me-
chanically, the chassis is as
sound as that found in the most
expensive cars in the world.
This new Overland is beautif-
fully finished, absolutely durable,
unusually comfortable, and
comes completely equipped—
even with a full set of the most
up-to-date electric lights.

Yet it costs 30 per cent less
than any other similar car made.

The Overland is a remarkably eco-
nomical car on both gasoline, oil and

tires. This is due to its perfect mechan-
ical balance. It never waste a drop of
gasoline or oil.

Yet it costs 30 per cent less
than any other similar car made.

Check up its specifications, the
length of its wheel base, the size of its
tires, the horsepower of its motor, the
completeness of its fine equipment, its
roomy tonneau; in fact, check every
detail, part and piece with the cor-
responding specifications of any other car
in its price class. Then compare the
costs and you find—

That the Overland costs you
30 per cent less than any other
similar car made.

Our selling price is lower because
our production is larger. Producing
more cars of this type than any other
manufacturer in the world, permits us
to use the most economical and labor-

saving manufacturing equipment ever
invented. Every part of the Overland
car is made in Overland factories.

That's why this car is 30 per
cent under other current prices.

The motoring season was never
better. Roads are opening up in every
direction. Nature, herself, is beckoning
you out in the open. All out of doors
is coaxing and teasing you to get a car.

But!

Buy with discretion; examine care-
fully this the sturdiest of cars and you
will find it, without question or doubt,
the most inexpensive car to buy, and
the most economical car to operate.

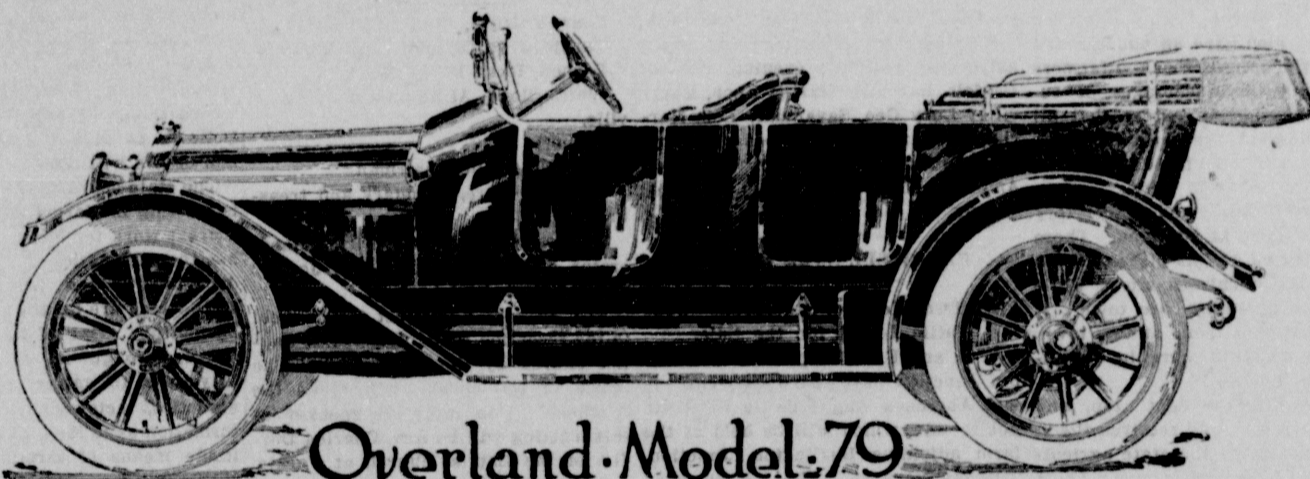

Remember, it is 30 per cent
under the market.

Your order placed now means a
prompt delivery. Do not delay another
day. Phone our dealer immediate-

SEVERE BRONCHIAL COUGH.

Doctors Feared Lung Trouble, Re-
stored to Health by Vinol.

The medical profession does not be-
lieve that lung troubles are inherited,
but a person may inherit a weakness
or tendency to them.

Mrs. Kate Heckman, Springfield,
Ohio, says: "A few years ago I was
in a very bad run-down condition, and
the physician told me I had consump-
tion. I tried another physician, and
he told me I had ulcers on my right
lung. I quit the physicians and
started on 'Vinol.' Today I am per-
fectly healthy, and that is why I re-
commend 'Vinol.'"

Vinol soothes and heals the inflamed
surfaces and allays the cough, Vinol
creates an appetite, strengthens the
digestive organs and gives the patient
strength to throw off incipient pul-
monary diseases.

Try a bottle of Vinol with the un-
derstanding that your money will be
returned if it does not help you.

WILL AFFILIATE.

Conservatory of Music and Music De-
partment of Normal in the
Near Future.

Within the near future the Conserv-
atory of Music and the department of
music of the Maryville Normal school
will become affiliated.

This will affect one of the strongest
schools for the preparation of public
school music supervisors in the mid-
dle west. The strong course in voice
and piano at the Conservatory will be
supplanted by the professional work
of the Normal school and the class
work in harmony, history of music and
practice teaching.

It will be but a short time until the
state will require that music shall be
taught in every school. This will nec-
essarily create a demand for music su-
pervisors, and it is in anticipation of
that demand the two schools are
brought together.

Accepts Position in Honolulu.

Miss Hope Lytle, daughter of Rev.
and Mrs. E. B. Lytle, formerly of
Maryville, but now residing in Burlin-
game, Cal., has accepted a position to
teach in Honolulu, where she will go
in August. Miss Lytle was a member
of the Normal school faculty before
going to California several years ago
to attend the state university at Berke-
ley. She has been teaching the past
year in Burlingame.

Jackson Family Reunion.

The Jackson family are enjoying a
reunion of the brothers and sisters of
the family. Benton Jackson of River-
ton, Neb., arrived in Maryville Friday
of last week and has been visiting his
brother, Joseph Jackson, and his sis-
ters, Mrs. Logan Holt and Mrs. W. E.
Trueblood. Two other sisters, Mrs.
Rachel Bentley of Long Beach, Cal.,
and Mrs. Ada Manuel of Springfield,
Mo., arrived in Maryville the first part
of last week.

BIRTHS EXCEED DEATHS.

According to Information Given Out
by Dr. F. R. Anthony There Were
51 Births and 41 Deaths.

According to Dr. F. R. Anthony, reg-
istrar of vital statistics for Maryville
and Polk townships, the births show
an increase of ten over the deaths for

the past four months. During the
month of April there were 11 births
and 6 deaths. During the month of
March there were 13 births and 13
deaths. During January and February
there were 11 deaths recorded each
month, and in January there were 18
births and 9 in February. The total of
the four months record is 51 births
and 41 deaths.

MEDIATORS TO MEET IN CANADA

Conference Will Be Held at
Niagara Falls May 18.

U. S. DELEGATES NOT CHOSEN

Neither Washington Nor Mexico City Has Set Forth Demands—Carranza's Disposition to Keep Out of Mediation Deal Disappointing.

Washington, May 6.—Secretary of State Bryan announced that the three South American mediators who have undertaken to settle Mexico's civil strife, as well as its international difficulties, would hold its first formal conference with representatives of "the different parties interested in mediation" at Niagara Falls, Canada, May 18. His statement follows:

"The mediators have notified the different parties that Niagara Falls, Canada, has been selected as the place where the mediators will confer with representatives of the different parties interested in the mediation and that May 18 has been fixed as the date when the conference will begin."

Language Attracts Attention.

The language of the declaration attracted attention, for although the envoys had in a note earlier said they would withdraw their invitation for a Carranza representative unless an armistice between the constitutionalists and the Huerta forces were arranged, no specific parties to the negotiations were named in the state department announcement.

It was later learned authoritatively that the reason for this was due to the fact that a further effort was being made to induce General Carranza to send a representative. It was understood the mediators had further explained their position to General Carranza and were still hopeful that he might be represented without seeking to limit his agent to discussion of any particular subjects.

The American government has not yet chosen its representatives. President Wilson and Secretaries Bryan and Lane discussed many names, but inasmuch as it will require several days for the Huerta envoys to reach here, some of the intervening time will be taken by the president in considering men for the important mission.

Scope of Negotiations.

As yet there has been no formal basis of negotiation, the United States or Huerta not having set forth their demands. It was learned from a high administration official that in all likelihood the United States would not confine itself now to a mere settlement of the incident at Tampico, which provoked the present crisis, but would aim to bring about a solution of the whole Mexican problem so that it could recognize a constitutional established government which would be able to restore tranquility in the southern republic.

The disposition of General Carranza to eliminate himself from the mediation proceedings, if it should include a discussion of Mexico's internal problems, has not met with the favor of administration officials, but they do not think this decision is final and hope he may yet be brought within the scope of the present effort to bring about peace.

Navy Bureau Announcements.

The death of two of the Americans wounded at Vera Cruz, bringing the mortality list up to nineteen, the announcement that the president would go to Brooklyn to attend memorial services for the seventeen dead being brought back on the Montana, and the order to the hospital ship Solace to bring its wounded back so that the sick may be in a cooler climate, were the chief announcements from the navy department during the day.

The state department was active in caring for refugee Americans who are leaving the country by the hundreds. At the war department it became clear that the policy at Vera Cruz would be maintained, with no advance of the American forces unless to repel an attack. But it was known that a definite course of action had been outlined in the event of a resumption of hostilities and the extension of the campaign toward Mexico City.

Ohio Man Held for Ransom by Feds.

Steubenville, O., May 6.—Word reached here that LeRoy Ault of this city is being held for a ransom by a band of Mexican federalists near Vera Cruz. His wife, a former Steubenville girl, is now in this city and is in a state bordering on collapse, fearing her husband may be killed before he is released. The prisoner's father, A. J. Ault, is here, striving to secure aid from the state department in behalf of his son.

Rebels Get Artillery.

Washington, May 6.—Constitutionalist representatives here were advised of the arrival of their artillery at Tampico. This has been awaited before beginning a general attack on the federal garrison there.

May Call on Foreign Help.

Houston, Tex., May 6.—All foreign oil companies operating in the Tampico (Mexico) fields have called a meeting for tomorrow in New York to discuss steps to obtain protection for their holdings.

WAS A GREAT TRIP

FINE ROADS AND A WELCOME AT EACH TOWN VISITED.

ADDRESSES WERE MADE

The Visitors Were Much Impressed With the Country, Fine Farms and Homes of Nodaway County.

Twenty-two cars left this morning with the state board of agriculture to visit the surrounding towns preparatory to the meeting this afternoon. The day was a most ideal one for the occasion. The day was cool enough to make the trip enjoyable. Governor Major could not make railway connections and did not arrive until 12 o'clock, and the trip had to be made without him. It had been planned to have the governor make a short talk at each of the towns. Addresses were made, however, by several prominent speakers who accompanied the tourists. The cars left at 8:45 a. m., a little later than scheduled, but considerable time was required in grouping and placing the cars in the parade. The band accompanied the party to furnish music at each of the towns. It was composed of sixteen members. There were several cars which entered the parade too late to be listed below. The trip was made over the western part of the county. The towns visited were Graham, Maitland, Skidmore, Quitman and Burlington Junction. The party returned about 1 o'clock, in time for the afternoon meeting, held at the court house at 2 p. m.

At Graham, President Lewis and Secretary Jewell Mayes delivered short talks. W. D. McKee, lecturer for the state board, also gave an address and expressed the opinion that the farmers are realizing the advantages of co-operation to such an extent that all farm business of the future will be conducted by a definite organization for each place of farm work.

President Lewis and Secretary Mayes also spoke at Maitland. There was a big crowd at this place and the Maitland band furnished music while the cars were coming into town. J. Kelly Wright also spoke at this town. The school children were in attendance at this meeting.

Skidmore was the next stop, and the delegation was well received there.

Dean Mumford of the state agricultural college of Columbia gave a short speech. At Quitman E. C. Bennett, state dairy commissioner, gave a talk. Burlington Junction was next visited, and after talks by President Lewis and Secretary Mayes, Dean Mumford gave an address. From the Junction the party came to Maryville, arriving on schedule time.

At each of the towns they were sorry Governor Major was unable to be in attendance.

The party was joined by a number of cars at each of the towns.

The roads were in excellent shape on the entire trip and many were the remarks made by the visitors on the good roads and the fine country we had in Nodaway.

The following cars and persons who accompanied them made up the party: No. 1, McMurray car—Geo. McMurray, C. D. Bellows, Jewell Mayes of Columbia and P. P. Lewis, president of state board.

TO BE HELD MAY 28.

Conservatory Commencement at the First Methodist Church.

The eleventh annual commencement of the Maryville Conservatory of Music will be held on Thursday night, May 28, in the First Methodist church.

This school, under the direction of Prof. P. O. Landon, has grown to be one of the largest in the state, and its influence extends to many other states where its graduates are teaching. During the eleven years that the Conservatory has been in Maryville, one hundred and eleven students have been graduated either from the regular course or from the post-graduate course.

The school is one of which Maryville may well be proud, and the musical reputation which Maryville possesses is due in a large measure to the influence which the Maryville Conservatory has had on this community.

The following students will be graduated next Thursday evening. Virdah Daniels, Barnard; Martha Koch, Maryville; Lucy Gee, Savannah; Lois Harrison, Albany; Hazel Everhart, Maryville; Margaret Bolin, Maryville; Lida Ambrose, Maryville; S. F. Spahnower, Albany.

CALDWELL SALE MAY 26.

Fifty-Two Head of Aberdeen Angus Cattle Listed for the Sale.

C. D. and E. F. Caldwell of Burlington Junction have listed fifty-two select Aberdeen Angus cattle for their public sale, which will be held at the farm adjoining Burlington Junction, Tuesday, May 26. The list contains forty head of cows and twelve head of bulls. Col. Fred Reppert will auctioneer the sale.

Mr. and Mrs. Sam Townsend and Mrs. C. D. Hooker will return Wednesday night from a few days visit in St. Joseph at the home of Mr. Townsend's daughter, Mrs. John Koch.

THE WEATHER

Fair tonight and Thursday; not much change in temperature.

ARRIVED IN THE CITY THIS NOON.

SPOKE AT COURT HOUSE

Meeting of State Board at Bellows' Country Home—Banquet at Elks Club This Evening.

Governor Elliott W. Major arrived in Maryville this noon over the Burlington for the meeting of the state board of agriculture. He was accompanied by R. W. Napier of Hamilton, who is state food and drug inspector. Governor Major was entertained at luncheon by George B. Baker, who is an appointee of his on the state hospital board No. 2 at St. Joseph, and the other guests were Senator Anderson Craig of this city and Mr. Napier.

Governor Major expressed regret that he was unable to be here for the auto tour, but owing to a misunderstanding as to trains he was unable to reach the city until today. The governor will be in the city over night and will leave on the Burlington train Thursday morning.

The meeting at the court house this afternoon was presided over by W. A. Blagg. P. P. Lewis, president of the state board of agriculture, spoke, and was followed by Governor Major, who talked along agricultural lines. The court room was crowded and many had to stand.

After the speaking Governor Major was taken in a car, accompanied by a number of others, to Burlington Junction, where he delivered a short talk.

The meeting of the state board will be held at "Parkdale," the country home of C. D. Bellows, at 5 o'clock this afternoon.

After the state board meeting the visitors will be taken to the Elks club, where they will be the guests of Mr. Bellows at dinner. Governor Major and others will respond to toasts.

The state board of agriculture, which is meeting in Maryville today, is doing a great work for Missouri. The board has the supervision of all the legalized departments and institutions of the state which are for the advancement of agriculture. One of the duties of the board through its secretary, Jewell Mayes, is to gather crop and stock statistics, meteorological data and information as to the best and most profitable means of farming, stock raising, fruit growing, etc., and to publish the same in bulletins as frequently as may be deemed expedient. They are to hold farmers' institutes in different parts of the state for the purpose of giving instruction in agriculture.

The members of the board are: E. L. Newlon, Lewistown; John H. Brayton, Paris; H. C. Duncan, Os-

born; C. D. Bellows, Maryville; T. J. Hedrick, Buckner; Mack V. Thralls, Ulrich; N. H. Gentry, Sedalia; W. A. Dallmeyer, Jefferson City; John J. Wakefield, Mexico; P. P. Lewis, Crescent; Christ Hilke, St. Louis; W. R. Wilkinson, St. Louis; E. E. Swink, Farmington; C. M. Barnes, Marston; John Parker, Carthage; A. T. Nelson, Lebanon.

The ex-officio members are Governor Elliott W. Major, W. P. Evans, superintendent of schools, and F. B. Mumford, dean college of agriculture. The officers of the board are: P. P. Lewis, Crescent, president. W. R. Wilkinson, St. Louis, vice president.

Jewell Mayes, Columbia, secretary. W. L. Nelson, Columbia, assistant secretary.

J. Kelly Wright, Columbia, farmers' institute lecturer.

Miss Bab Bell, Columbia, home economics lecturer.

The visit of Governor Major today is his first one since he has been the chief executive of the state. He visited in Maryville when he was a candidate for attorney general, and also when he was a candidate for governor. He is very much interested along agricultural lines and owns two large farms in Pike county.

HER CONDITION FAVORABLE.

Miss Messenger Had Bad Night Tuesday, But Was Some Improved Wednesday.

The condition of Miss Marcia Messenger, who underwent a serious operation for tumor Tuesday morning at St. Francis hospital, was favorable Wednesday. She had a bad night Tuesday.

HERE TO HEAR THE GOVERNOR.

Dr. Crandell and Joseph I. McDonald of St. Joseph Board of Police Commissioners.

An auto party from St. Joseph that arrived in Maryville this morning had Dr. U. G. Crandell and Joseph I. McDonald, members of the board of police commissioners of that city, and Otto Burris. They came to hear Governor Major speak this afternoon. Both Dr. Crandell and Mr. McDonald are appointees of Governor Major.

TO BUILD BALL PARK.

Money Being Raised to Build an Ideal Ball Park—Citizens to Control the Grounds.

Several members of the ball club have been making solicitations from the merchants this week in order to rent a ball park and build at new grand stand large enough to accommodate the Maryville ball fans. They expect to raise not less than \$250, and of this amount \$50 will be used to pay the rent of the grounds for one year in advance, and at least \$200 to build an ideal grand stand. This grand stand will be the property of the citizens of Maryville. A committee of three merchants of the city will be appointed by the clubs to manage the grounds. All other teams of the city will have to apply to this committee in order to secure the use of the grounds. They will be allowed to use them as long as the dates do not conflict with the schedule of the city league. All of the Sunday school, high school, and other city teams will be allowed the use of the park at any time free of charge by simply applying to the committee on grounds and arranging a date that will not conflict with other schedules. The grounds which will be rented are the old Mink league grounds, where organized base ball was formerly played in Maryville.

Member of Exposition Commission.

W. D. Smith of Princeton, Mo., a member of the Missouri commission of the Panama-Pacific exposition, was in Maryville today attending the board meeting and also made the auto trip this morning.

Ernest Hagin of St. Joseph is visiting at the home of his grandmother, Mrs. Lefe Hagin.

HIS 90TH BIRTHDAY

JAMES H. SAUNDERS CELEBRATED ANNIVERSARY.

RESIDENT SINCE 1845

Closely Connected With the Early Progress of Maryville—Is Enjoying Good Health.

James H. Saunders is 90 years old today, and, with his wife, is celebrating the occasion by spending the day at the home of his daughter, Mrs. George L. Wilfley. One of the members of the family party today is a great-great-granddaughter, Naomi Elizabeth, the infant daughter of Mr. and Mrs. Ray S. Wilfley of Cherokee, Okla. "Uncle Jimmy," as everyone knows him, has been a resident of Nodaway county the greater portion of the time since 1845.

He was a native of Madison county, Kentucky, and was born May 6, 1824. He was there partially educated and resided until 1843, when he emigrated to Missouri with his parents, his father, John Saunders, being one of the pioneers of Buchanan county. For two years he lived near St. Joseph. In 1845 he moved to Nodaway county and engaged in mercantile pursuits in Maryville, being among the first interested in this branch. Previous to the war he went to St. Joseph and for many years was well known as proprietor of the Saunders house. John Saunders died in 1869. For many years "Uncle Jimmy" Saunders was one of the leading merchants of Maryville, having engaged in the mercantile business in 1851. His store was located on the Nodaway Valley bank corner. A son, Ernest R., now deceased, was a junior member of the firm of Saunders & Son for a number of years.

Mrs. Wilfley, wife of George L. Wilfley, president of the Farmers Trust company, is a daughter, and a son, Dr. Lawrence A. Saunders, resides at San Jose, Cal.

He was closely associated with the early progress of Maryville and was ever ready to endorse all commendable enterprises beneficial to both town and county. Possessing as he does a genial and kindly disposition, he is one of the most companionable of gentlemen.

Mr. Saunders is enjoying good health for a man of his years and makes daily trips downtown. His many Maryville friends extend congratulations and wish that he may enjoy many more birthday anniversaries.

The children and grandchildren of James H. Saunders met at the home of a daughter, Mrs. George L. Wilfley, Wednesday to celebrate his birthday anniversary. Those present were Mr. and Mrs. Saunders, Mr. and Mrs. Wilfley, Mr. and Mrs. Ray S. Wilfley and infant daughter, Naomi Elizabeth, of Cherokee, Okla., and Miss Geneva Wilfley.

Elect Teachers at Skidmore.

Teachers for the ensuing year were elected Tuesday at a meeting of the school board of Skidmore. The election resulted as follows: Principal, P. W. Cooper of Sheridan; assistant principal, Miss Beatrice Sewell of Maryville; high school teacher, Miss Ethel Metzger of Maysville; 6th, 7th and 8th grades, Miss Hazel Kaywood of Maitland; 3rd, 4th and 5th grades, Miss Maude Linville of Skidmore; 1st and 2nd grades, Miss Elsie Bunn of Jameson. Miss Sewell is a member of this year's graduating class of the Normal school and Miss Metzger is taking special work at the Normal school this term.

Mrs. Lewis Allen of St. Joseph, who was a guest at the Sheldon-Dyson wedding Monday night, returned to her home in St. Joseph Tuesday afternoon.

Overland \$950.00

\$1,075—With electric starter and genera-
tor. Prices f. o. b. Toledo, Ohio.

Cost 30% Less

THE 1914 Overland is a large
magnificent, five-passen-
ger family touring car—having
a powerful motor, a long wheel
base and large tires. It is built
to stand without stress or strain
the hardest kind of work. Me-
chanically, the chassis is as
sound as that found in the most
expensive cars in the world.
This new Overland is beautiful-
ly finished, absolutely durable,
unusually comfortable, and
comes completely equipped—
even with a full set of the most
up-to-date electric lights.

Yet it costs 30 per cent less
than any other similar car made.

The Overland is a remarkably eco-
nomical car on both gasoline, oil and

tires. This is due to its perfect mechan-
ical balance. It never waste a drop of
gasoline or oil.

Yet it costs 30 per cent less
than any other similar car made.

Check up its specifications, the
length of its wheel base, the size of its
tires, the horsepower of its motor, the
completeness of its fine equipment, its
roomy tonneau; in fact, check every
detail, part and piece with the cor-
responding specifications of any other car
in its price class. Then compare the
costs and you find—

That the Overland costs you
30 per cent less than any other
similar car made.

Our selling price is lower because
our production is larger. Producing
more cars of this type than any other
manufacturer in the world, permits us
to use the most economical and labor-

saving manufacturing equipment ever
invented. Every part of the Overland
car is made in Overland factories.

That's why this car is 30 per
cent under other current prices.

The motoring season was never
better. Roads are opening up in every
direction. Nature, herself, is beckoning
you out in the open. All out of doors
is coaxing and teasing you to get a car.

But!

Buy with discretion; examine care-
fully this the sturdiest of cars and you
will find it, without question or doubt,
the most inexpensive car to buy, and
the most economical car to operate.

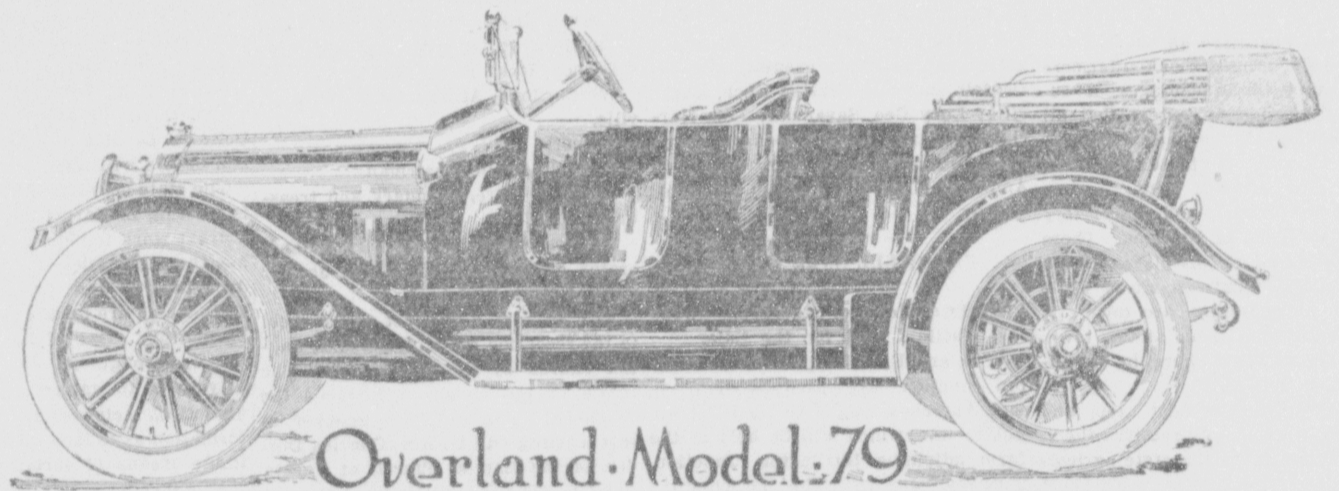

Remember, it is 30 per cent
under the market.

Your order placed now means a
prompt delivery. Do not delay another
day. Phone our dealer immediate-
ly.

SEVERE BRONCHIAL COUGH.

Doctors Feared Lung Trouble, Re-
stored to Health by Vinol.

The medical profession does not be-
lieve that lung troubles are inherited,
but a person may inherit a weakness
or tendency to them.

Mrs. Kate Heckman, Springfield,
Ohio, says: "A few years ago I was
in a very bad run-down condition, and
the physician told me I had consump-
tion. I tried another physician, and
he told me I had ulcers on my right
lung. I quit the physicians and
started on 'Vinol.' Today I am per-
fectly healthy, and that is why I re-
commend 'Vinol.'"

Vinol soothes and heals the inflamed
surfaces and allays the cough. Vinol
creates an appetite, strengthens the
digestive organs and gives the patient
strength to throw off incipient pul-
monary diseases.

Try a bottle of Vinol with the un-
derstanding that your money will be
returned if it does not help you.

WILL AFFILIATE.

Conservatory of Music and Music De-
partment of Normal in the
Near Future.

Within the near future the Conserv-
atory of Music and the department of
music of the Maryville Normal school
will become affiliated.

This will affect one of the strongest
schools for the preparation of public
school music supervisors in the mid-
dle west. The strong course in voice
and piano at the Conservatory will be
supplanted by the professional work
of the Normal school and the class
work in harmony, history of music and
practice teaching.

It will be but a short time until the
state will require that music shall be
taught in every school. This will nec-
essarily create a demand for music su-
pervisors, and it is in anticipation of
that demand the two schools are
brought together.

Accepts Position in Honolulu.

Miss Hope Lytle, daughter of Rev.
and Mrs. E. B. Lytle, formerly of
Maryville, but now residing in Burlingame,
Cal., has accepted a position to
teach in Honolulu, where she will go
in August. Miss Lytle was a member
of the Normal school faculty before
going to California several years ago
to attend the state university at Berke-
ley. She has been teaching the past
year in Burlingame.

Jackson Family Reunion.

The Jackson family are enjoying a
reunion of the brothers and sisters of
the family. Benton Jackson of River-
ton, Neb., arrived in Maryville Friday
of last week and has been visiting his
brother, Joseph Jackson, and his sis-
ters, Mrs. Logan Holt and Mrs. W. E.
Trueblood. Two other sisters, Mrs.
Rachel Bentley of Long Beach, Cal.,
and Mrs. Ada Manuel of Springfield,
Mo., arrived in Maryville the first part
of last week.

BIRTHS EXCEED DEATHS.

According to Information Given Out
by Dr. F. R. Anthony There Were
51 Births and 41 Deaths.

According to Dr. F. R. Anthony, reg-
istrar of vital statistics for Maryville
and Polk townships, the births show
an increase of ten over the deaths for

the past four months. During the
month of April there were 11 births
and 6 deaths. During the month of
March there were 13 births and 13
deaths. During January and February
there were 11 deaths recorded each
month, and in January there were 18
births and 9 in February. The total of
the four months record is 51 births
and 41 deaths.

VOTED NOT TO JOIN.

Local Elks Lodge Will Probably Attend the Association Meet at St. Joseph in a Body.

Elks lodge No. 760, B. P. O. E., decided not to join the Missouri Elks association at the regular meeting held Tuesday night. The annual business and social session of the association will be held at St. Joseph this year June 9, 10 and 11.

The association was organized six years ago and for the purpose of a yearly social session. The local lodge was a member until two years ago, and withdrew on account of the meetings being held so far away from

Maryville. A large number of state lodges belong to the association.

The local Elks lodge will probably attend the session in St. Joseph, as it is for all Elks. St. Joseph lodge No. 40 is making great preparations for the entertainment of the visitors.

Charles Bright, living east of Maryville, returned Monday from Omaha, Neb., where he underwent an operation at the Methodist hospital for eye trouble. The operation was performed by Dr. Gifford and proved very successful.

Attorney M. E. Ford was a St. Joseph visitor Wednesday.

HEALTHY HAIR--NO MORE DANDRUFF

Use Parisian Sage.

It's entirely needless to have unsightly, matted, thin or faded hair. A little care is all that is needed to make it thick, soft, pretty, perfectly healthy and free from dandruff.

Use Parisian Sage—it supplies hair needs and is absolutely harmless. It quickly stops itching head and falling hair, and is one of the best tonics to invigorate the scalp and make the hair grow long and beautiful.

Get a bottle of Parisian Sage today from T. J. Parle or at any drug counter. It costs but 50 cents. Rub it into the scalp—all dandruff disappears—your head feels fine—the hair is pretty and perfectly healthy.

The Difference Alfalfa Made.

The Kansas experiment station fed thirty-six hogs in an experiment in the early part of the summer of 1911. The hogs were uniform, thrifty, of identical breeding, and had been given the same feed and treatment before the experiment started. They were in good stocker condition and averaged 160 pounds a hog when they were put on feed. They were divided into six uniform lots with six hogs in every lot. Three lots were fed on alfalfa pasture and the others were fed in dry yards.

The rations used were corn; corn 90 per cent and tankage 10 per cent; and corn 62 per cent, shorts 30 per cent, and tankage 8 per cent by weight. These rations were fed to both the hogs on alfalfa pasture and in dry lots. It was found, when the results obtained from the three lots in each group were averaged, that the hogs fed on pasture had made 25 per cent more gain than the hogs fed in the dry yards. With corn valued at 65 cents a bushel, shorts \$1.35 a hundred pounds and tankage \$2.35 a hundred pounds, allowing a fair price for the alfalfa pasture, every pound of gain made by the hogs on pasture was produced at 13 per cent less cost than the same amount of gain made by the hogs fed in the dry yards. It is also interesting to note that the hogs fed on corn and alfalfa pasture made cheaper gains than the hogs fed corn, shorts and tankage without pasture, and further that corn, shorts and tankage fed with alfalfa pasture proved the most efficient and most profitable of any ration used in the experiment.

Married by Judge Conn.

Richard Devaney and Mrs. Mary A. Bramel, both of Council Bluffs, Ia., were married this afternoon by Probate Judge W. H. Conn.

Mrs. D. M. F. Weeks, who has been the guest of her sister, Mrs. F. M. Anthony, and Dr. Anthony for several weeks, left Tuesday afternoon for her home in South Bend, Ind.

CATARRH VICTIMS

Use Hyomei—You Breathe It.

It's the right-to-the-point remedy not only for catarrh, but for head colds, sniffles, bronchitis, laryngitis or croup of children. You breathe it—not stomach dosing.

You will like Hyomei. It not only gives instant and lasting relief, but is entirely harmless, pleasant to use, and economical. Money refunded by the Great-Henry Drug Co. if you are not benefited.

Hyomei is a combination of antiseptic oils that mixes with the air and quickly reaches the irritated and inflamed membrane of the nose. It's sure and safe healing begins immediately—you feel better at once.

If suffering from watery eyes, husky voice, discharge from the nose, or that choked-up feeling, try Hyomei now—today. All druggists sell it. Ask for the complete outfit—\$1.00 size.

PARENT-TEACHERS MEETING.

Meeting to Be Held Friday Afternoon at High School Auditorium.

The regular meeting of the Parent-Teachers association, the only organization in Maryville that stands exclusively for child welfare, will be held Friday afternoon at the high school auditorium, when the following program will be given:

Song—Miss Ford's room.

Feasible Home Conditions for Home Study—Mrs. W. B. Price.

The Amount and Kind of Study Profitably Done at Home—Miss Golda Airy.

Kind of Home-Help Children Should Have—Mrs. Berney Harris.

Solo—Miss May Corwin.

How Untruthfulness is Fostered in the Home and School—To be supplied.

The Daily Nickel and Its Effect on Morals, Honesty and Thrift—Mr. Busby.

Round table—Prof. Westbrook.

The day of individual effort is a thing of the past. It is only by united effort we attain to that place for which we strive. Concentration on a given subject, combined effort to bring it to its full fruition; intelligent organization to put into practical use the theories and methods studied out; these help form the cornerstone upon which is built the Parent-Teachers association. Organized February 6, 1911, under the name Mothers' Circle, it has been from the first essentially a movement for the welfare of posterity. That this organization is an established institution, standing for education, progress and uplifting influences, is beginning to dawn on the public mind. Today it may unhesitatingly be placed along with the clubs for self-culture, civic reform, commercial interests and benevolent purposes, for which this city is noted.

Parent-Teachers association is all that its name implies, viz: a purpose on the part of parents and teachers to arrive at an intimate understanding, form bonds of sympathy and good fellowship with the one end in view, welfare of the child in the home and school. A home department will keep up the work during the summer months.

Every father and mother in Maryville should make it their chief concern to encourage an organization that stands identified with the welfare of the child today—the men and women of the community tomorrow.

ON FIRST TRIP.

Normal Base Ball Team Left Wednesday Evening.

The Normal school base ball team left this evening on their first trip of the season. Three hard games will be played on this trip, Warrensburg, Missouri Wesleyan and Conception college.

The team will arrive at Warrensburg on Thursday morning and play that team in the afternoon. Warrensburg has one of the strongest teams in the state and they have already defeated the strong William Jewell team. This is the big contest of the trip, and a game scrap will certainly be put up by Coach Eek's squad to bring home the Warrensburg scalp.

The next game will be played at Missouri Wesleyan. The Normals defeated the Wesleyans on the Normal diamond a week ago, but the Methodists will make a strong effort to win this game on their home grounds. Great preparations have been made for the game. A tournament will be held on that day, and the Cameron band will also be in evidence.

The last game of the trip will be played at Conception. Conception college has always put out a strong team and took both games from the Normal last year. Coach Eek is optimistic as to the outcome of the trip, and hopes, with luck breaking even for the Normal leaguers, to bring back three victories. The team will return home Saturday evening. The men who will make the trip are:

Leavel, Dyer, Noblett, McKee, Bird, Miller, Adams, Brittain, Ham and Long. Coach Eek will accompany the team. The Democrat-Forum will receive the results of the games over the telephone and will be glad to have the fans interested in the games to call the office.

The Children's Store

New Spring Styles In Children's and Infant's Wear.

EACH new season finds new styles in Children's Wear. This store follows the style changes closely and presents the best of each season's changes to the Children of Maryville.

Children's garments have a distinct place in our merchandising schedule.

We study and buy Children's wear as carefully as we do the merchandise which goes into the other sections of the store.

That is the reason this is the only store which offers a complete showing of the new things designed for the little tots.

Children's Dresses

The new styles in Children's Dresses have been designed especially for children. The largest maker in the country has furnished these out-of-the-ordinary models.

The materials are the finest grade. They are very carefully cut and made and the workmanship will stand the most critical examination.

The prominent features of this season's new styles are the long waisted effects, the wide belts, the mandarin sleeves and the drop shoulders.

All sizes are carried from 2 to 14 years.

The materials are mostly percales, ginghams, plain and flowered crepes, voiles, linens and lilies. Mothers will recognize the wear-resisting qualities of these durable fabrics.

The colors and patterns are selected with a view of pleasing the children. There are solid shades and plain white, and plaid, checked, striped and dotted patterns.

Prices are very low considering the excellent quality of the materials and the fine tailoring. At 50c there are many pleasing styles; then at 75c, \$1, \$1.25 and up to \$6.

Rompers

These stoutly sewed, carefully made Rompers are built to withstand the strain of many a playtime hour.

There are two styles—one, known as the Beach Rompers, has loose knees, short sleeves and square necks; the other has high necks, long sleeves and close knees.

Materials are seersuckers and ginghams in blue and white, and tan and white combinations, and plain blue.

Priced at 50c and 65c.
(Suit Section.)

Children's Hats

Hats, trimmed with dainty flowers and ribbons, for little girls, from \$1.50 to \$2.50.

Milan straw hats, 75c.

Children's play hats, including ratines, straw and linens, 25c and 50c. (Millinery Section.)

Children's Novelties

Our Stork Section features the new novelties as fast as they appear.

Ready for your choosing now are—

Stocking stretchers, 25c.
Shirt stretchers, 50c.
Rattles of all descriptions, from 10c to \$1.
Baby year books, 50c to \$1.50.
Bib holders, 50c.
Armbands, 25c and 50c.
Bibs, 15c to 50c, including the new style apron bibs at 50c.
Coat hangers, 50c to \$1.
Dress hangers, 50c to \$1.
Beauty pins, 25c to 75c a pair.
Sachets, 25c each.
Baby sets, in baskets or boxes, 50c to \$4.
(Center Aisle.)

Infant's Yokes

A novelty which will be appreciated by mothers on first glance.

Their use will add greatly to the beauty of infants' dresses and also lighten the labor of making them.

The designs are hand embroidered in dainty flower and scroll effects on fine swiss. Priced at 35c and 39c (Neckwear Section.)

Children's Shoes

FOR INFANTS—

Soft soled shoes and slippers, made of patent leather, black kid and in blue, pink and red shades and white. One or three strap styles, 25c, 35c and 50c.

Men Who Bring Their Wives with Them

The men's clothes store that isn't quite sure of its values isn't overly anxious to have men bring their wives with them on purchasing expeditions.

We like nothing better than to have the "bett-r half" come in and look over what is offered here.

This applies particularly to Stein-Bloch Smart Clothes for men who are smart enough to let their wives help make the dollars count.

Our experience is, that about nine times out of ten, these wives choose Stein-Bloch Clothes the first time. And about ten times out of ten "hubby" is entrusted with making a similar choice the time following.

The best thing about Stein-Bloch customers is that they stick.

MEDIATORS TO
MEET IN CANADA

Conference Will Be Held at
Niagara Falls May 18.

U. S. DELEGATES NOT CHOSEN

Neither Washington Nor Mexico City Has Set Forth Demands—Carranza's Disposition to Keep Out of Mediation Deal Disappointing.

Washington, May 6.—Secretary of State Bryan announced that the three South American mediators who have undertaken to settle Mexico's civil strife, as well as its international difficulties, would hold its first formal conference with representatives of "the different parties interested in mediation" at Niagara Falls, Canada, May 18. His statement follows:

"The mediators have notified the different parties that Niagara Falls, Canada, has been selected as the place where the mediators will confer with representatives of the different parties interested in the mediation and that May 18 has been fixed as the date when the conference will begin."

Language Attracts Attention.

The language of the declaration attracted attention, for although the envoys had in a note earlier said they would withdraw their invitation for a Carranza representative unless an armistice between the constitutionalists and the Huerta forces were arranged, no specific parties to the negotiations were named in the state department announcement.

It was later learned authoritatively that the reason for this was due to the fact that a further effort was being made to induce General Carranza to send a representative. It was understood the mediators had further explained their position to General Carranza and were still hopeful that he might be represented without seeking to limit his agent to discussion of any particular subjects.

The American government has not yet chosen its representatives. President Wilson and Secretaries Bryan and Lane discussed many names, but inasmuch as it will require several days for the Huerta envoys to reach here, some of the intervening time will be taken by the president in considering men for the important mission.

Scope of Negotiations.

As yet there has been no formal basis of negotiation, the United States or Huerta not having set forth their demands. It was learned from a high administration official that in all likelihood the United States would not confine itself now to a mere settlement of the incident at Tampico, which provoked the present crisis, but would aim to bring about a solution of the whole Mexican problem so that it could recognize a constitutional established government which would be able to restore tranquility in the southern republic.

The disposition of General Carranza to eliminate himself from the mediation proceedings, if it should include a discussion of Mexico's internal problems, has not met with the favor of administration officials, but they do not think this decision is final and hope he may yet be brought within the scope of the present effort to bring about peace.

Navy Bureau Announcements.

The death of two of the Americans wounded at Vera Cruz, bringing the mortality list up to nineteen, the announcement that the president would go to Brooklyn to attend memorial services for the seventeen dead being brought back on the Montana, and the order to the hospital ship Solace to bring its wounded back so that the sick may be in a cooler climate, were the chief announcements from the navy department during the day.

The state department was active in caring for refugee Americans who are leaving the country by the hundreds.

At the war department it became clear that the policy at Vera Cruz would be maintained, with no advance of the American forces unless to repel an attack. But it was known that a definite course of action had been outlined in the event of a resumption of hostilities and the extension of the campaign toward Mexico City.

Ohio Man Held for Ransom by Feds. Steubenville, O., May 6.—Word reached here that LeRoy Ault of this city is being held for a ransom by a band of Mexican federalists near Vera Cruz. His wife, a former Steubenville girl, is now in this city and is in a state bordering on collapse, fearing her husband may be killed before he is released. The prisoner's father, A. J. Ault, is here, striving to secure aid from the state department in behalf of his son.

Rebels Get Artillery.

Washington, May 6.—Constitutionalist representatives here were advised of the arrival of their artillery at Tampico. This has been awaited before beginning a general attack on the federal garrison there.

May Call on Foreign Help.

Houston, Tex., May 6.—All foreign oil companies operating in the Tampico (Mexico) fields have called a meeting for tomorrow in New York to discuss steps to obtain protection for their holdings.

Colorado State G. O. P. Central Committee Names Pueblo Man.

Denver, May 6.—The Republican state central committee here cheered and applauded the address of Frank C. Goudy, approving the Mexican policy of President Wilson and supporting the program of Governor E. M. Ammons in the Colorado coal strike. The meeting was largely attended.

Dr. Hubert Work of Pueblo was chosen national committeeman from Colorado to succeed former Senator Simon Guggenheim. The committee endorsed the proposal of the national committee for the reapportionment of delegates to the national conventions and fixed Aug. 4 as the date for the state assembly to select party candidates for the primary election.

O'Shaughnessy's Baggage Stolen.

New Orleans, May 6.—Mexicans did not even except Nelson O'Shaughnessy, former American charge at Mexico City, in preying on American property after the fall of Vera Cruz. Nearly all of the baggage of Mr. and Mrs. O'Shaughnessy was stolen from the special train Huerta provided for the charge and his party to transport them to Vera Cruz after he had been handed his passports.

Charlton Trial Postponed Until Fall.

With The Star and Times Men in Mexico

Every little bit of news of Uncle Sam's men and ships engaged with Mexico will be eagerly sought by you. We are taking this means of bringing to your attention the unapproached facilities of our paper to keep you posted on what transpires. If it occurs at night, the Times will contain a truthful and full account every morning, while the happenings of the day are faithfully related in the Star. This gives opportunity of emphasizing the value of the 24-hours news service rendered every subscriber of the Daily Star, Times and Sunday Star. The Times will print the Associated Press full night reports and the Star the entire day service. This to be supplemented by the work of staff writers and special correspondents located at actual scenes of operations and at all news distributing centers.

One subscription covers both editions (no added charge for the double daily service) and the subscription price of the Star, Times and Sunday Star—12 issues a week—postage prepaid, is \$7.80 a year or 15 cents a week. Address,
